FOR
THE

STEP 1:

→ Select a Runner

Choose one runner to place in the middle of your table as a base. This is a great way to enhance your table by adding color and texture.

STEP 3:

→ Pick a Centerpiece

You have the option to pick from one of our 16 Pre-Designed collections. No need to piece everything together, this part is taken care of!

STEP 2:

→ Add a Charger

Style your table with a charger plate while also giving each guest their own setting. These can look great set with or without a dinner plate.

STEP 4:

→ Choose a Napkin

Napkins are a great way to tie in your color scheme. Pair it with a napkin ring for a simple and stylish look.
